

SPONSORSHIP OPPORTUNITIES

ABOUT THE PODCAST

WildAg is a monthly podcast that serves as a connection point for landowners and conservation professionals who want to integrate conservation and agriculture. Our project brings perspectives from both landowners and conservation professionals for lively discussions on soil, water, and wildlife. WildAg is part of the Natural Resources University podcast network and is available on all major podcast platforms as well as YouTube.

OUR REACH

In its first two years, WildAg has been downloaded in nearly every state and 50 countries with a total of over 21,000 downloads. Our listenership continues to grow steadily, with over 700 downloads per episode on average.

KEY AUDIENCES:

Extension professionals, NGO staff, landowners and natural resource managers

WHY SUPPORT WILDAG?

➤ REACH A SPECIALIZED AUDIENCE

Every month, WildAg connects you with decision-makers in agriculture and conservation.

➤ ADVANCE PUBLIC SERVICE EDUCATION

Your support drives innovation to optimize agricultural production and conservation practices, ensuring the long-term sustainability of our working landscapes for future generations.
